Inclement Weather Policy

The youth programs division sets inclement weather procedures to protect the safety of all participants and staff members.

Policies include After School X-Press, Before School X-Press, Track Out X-Press, Specialty Program, and/or Teen Programs. All of the Raleigh Parks and Recreation Department inclement weather procedures are influenced by Wake County's decisions in reference to inclement weather. Please tune into your local media outlets for information.

If Wake County Schools are closed, all City of Raleigh School Based Programs are closed. There may be situations where the Youth Programs Division is able to offer the the Track Out X-Press program when inclement weather occurs. If locations are able to open without compromising the safety for participants and staff we will serve participant registered in the Track Out X-Press program. We will not accept any new registrations for that day. Please tune into local media and/or

call the Youth Programs Office at 831-6165 for information on if the Track Out program will operate and if the program will have a shorten schedule.

If Wake County Schools are delayed, the Before School Programs is cancelled. The track out program will be delayed by the same amount of hours (i.e. if school is delayed an hour, then program will begin an hour later than normal).

If Wake County Schools release early, the After School X-Press program is cancelled. Any decision to cancel the track out program will be made by the Raleigh Parks and Recreation Department.
